

Mother Nature didn't exactly smile on our shoot that was held April 8, although she could have been worse. It was COLD, it sleeted, and then the snow came. Many thanks to those 30 brave souls who came to shoot! Some didn't finish to go home to the warmth, so the numbers don't reflect all who attended. Many thanks, also, to our club members who braved the cold on Saturday to get set up and those who stayed to tear down.
